Dear Adams 14 Parents, Families, and Staff Members,

We are continuing to monitor our health and staff data. In the last couple of hours, the District has received a large number of requests for a sick day from staff members. In an effort to ensure the safety and well-being of all staff, students, and the community, the following Adams 14 schools will operate virtually on Tuesday, January 18th.

Please disregard any previous communication you may have received from these schools announcing their in-person learning, as the change in staffing is very recent.

At these schools, "grab and go" meals will be available (via either walk-up or drive-up) between 11:30 a.m. and 1:00 p.m. on each school site. (Lester Arnold High School students should pick up their meals at Hanson Elementary School.)

The following four schools will continue to operate in-person on Tuesday, January 18th.

Pending any changes in staffing needs, all members of the Adams 14 community will be contacted by 5:00 p.m. on Tuesday, January 18th with any updates on school plans for Wednesday, January 19th. We apologize for the inconvenience. We will continue monitoring the data and will communicate any changes as soon as we are able to do so.

We ask that you please make sure to get fully vaccinated and vaccinate your eligible children. It is going to take the entire community to help so that we can continue school in person!

Please do not hesitate to contact communications@adams14.org if you have any questions or concerns.
